Apr-May-Jun

Volume 6 Issue 3

If you haven't started making plans for our reunion at Ft Cobb Lake Community Building, June 25th, then here's a gentle reminder to begin.

The response concerning our plans was so overwhelming that my mail carrier complained. If you believe that, you'll believe anything. However, a few people did respond and from those votes, (I'm excluding myself) the majority rules that we:

1. Have sandwiches for lunch.
2. Have an auction. (Limited to 1 hour)
3. Have our pitch tournament same day.

Bring any kind of sandwich, Sloppy Joe mix, barbecue or whatever, and accessories, chips, pickles, onions, lettuce, drinks, etc. Lets keep desserts light and easy, cookies or cake bars. Our objective is to have good food and at the same time have less mess and work. Paper cups, plates and ice will be furnished.

For the Auction, it's such fun and it's sorta been our means, but how time flies when you're having fun. So let's all bring just 1 item each and limit the auction to 1 hour, if it looks like our time is running out before our auction items do, we can lump them together. Bob Craddock, will you do us the service this year?

Last but not least, our main event, the Pitch Tournament. We want to try and get started at 6: PM but if it's 6:30 that will work too.

The Horseshoe Tournament will take place following the Auction, meanwhile inside the building, those who pick and sing, can pick and sing, and those of us who like to gab, can gab or do whatever they wish.

We have a new event to take place this year. Clifford Nath is putting together a Golf Tournament. This will take place June 24th, 1P.M. at the Ft Cobb Lake Golf Course. If you can't be there at that time, but want to enter the Tournament, then

you can play at your convenience another time, another place, bring your scores. You do have to be present at the Reunion to claim a trophy.

Marty Morris is making up the fishing rules this year. They are a modified version of Joe's Rules from last year.

Largest fish wins- honor system-by weight. Use golden rule to measure. To be caught on Pole or Rod and Reel. Freshwater fish only.

Two categories, Any type Bass, Any type Catfish.

You will be allowed 2 weekends to fish. From noon Friday, June 10th, until Midnight Sunday, June 12th, and again from noon Friday, June 17th, until Midnight Sunday, June 19th.

Call 405-656-9241 or write to this address to report the weight and type of your fish, deadline for having this information to us is June 23rd.

For those who are out of state and unable to attend the Reunion, it will not be necessary to be present in order to claim your trophy. If you live nearby you better have a real good excuse for not claiming your trophy in person.

Now if you don't like the rules, you can make them next year, it's very hard to find persons willing to do this. Good luck!

While looking through some of my old card and letters, I found these Mother's Day cards from the past and would like to share them with you.

To Mom

I Hope You Have A Happy Mother's Day And I Also Hope that Your Mother Has A Happy Mother's Day

From Your
Son Larry

Mom My Wonderful Nurse
When I am sick who takes care of me. Of

course my Mother who else could it be,
besides my Mother. Dear Mother always
happy to see me well.

Deanna

Happy Mother's Day
Your a Good Mom
With Love Josh

Roses are red vilots
are blue suger is sweet
and you are too.

I'll do the dishes Ill
sweep the floor as long
as you wont kick me out the door

Charles Morris

Roses are red violets are gold
I never do what I'm told
But nows the time when I'm good to you
I wish you a Happy Mothers Day I do
With Love Roger

Mother
There is a Lady so nice
to me,
Who could it be-
Yes, it is My Mother.

Who cares for me
When I am sick?
It is Mother.

Love Dale

To a mom thats been
so good to
me your a good mom
and I love you!

From Your
Daughter Leesa

Roses are red
Violets are blue
Daisies are gold
and I Love you.

Reg and Martha being unable to get a
vacation in June visited with us last week.
We enjoyed their visit, short though it was.

Dave and Gay are not planning on
coming and I don't know who will be our
food taster this year.

Gay, don't forget to send he Pitch
Trophy. It's too bad you can't come and
defend your title.

We have at least one Graduate,
Congratulations to Stephanie Denise
Craddock. Stephanie, daughter of Larry and
Samie Craddock of Anadarko graduated
from Anadarko High School last week.

Stephanie plans to attend
Southwestern College at Weatherford this
fall.

God bless you Stephanie, I love you
and am very proud of your High School
completion.

You know it's difficult for everyone to
come at the same time each year and folks
get tired of doing the same thing over and
over, so does everyone want to have the
reunion next year. We can vote on it, we
will lose our reservation at the Lake if we
don't, unless we just sub-rent it (can we do
that) or just pay the rent in order to keep it
reserved.

There is an alternative to the Lake
Building. Cedar Hills Baptist Church Camp,
rents out their facilities on the weekends.
They also have cabins for those who live out
of state. Now I don't know if they are air
conditioned. They have 2 swimming pools, if
we hired the life guard at \$5 per hour for a
few hours we could have access to them.
They have volley ball nets and tennis courts.
I'm told there is a lake for fishing also. We
can check into this and maybe vote on it too
if anyone is interested. We'll talk about all
this at the reunion and see what everyone
wants to do.

Love, Ada
