IN LIKE A LAMB? IN LIKE A LION?

At this point, who can tell. Just get your kites, sailboats, and pinwheels ready for use sometime in March. Unless this is to be a very unusual year, there will be some wind and lots of it. So use lots of hairspray, tie down the mobile homes, chain up your small animals, and skinny people take precautions when going outside, in other words, batten down the hatches.

HAPPY RIRTHDAY

7th	Linda Morris
13/14th	Paul Woodrow Craddock
15th	Delores Jane Morris
20th	Jeffrey Paul Craddock
26th	Larry Joe Morris
30th	Rodney Shane Craddock
31st	Joe Bob Craddock

I had to tease Paul a little about his birthday. Yes, there's a story behind it and it goes like this. Back in the olden days when Paul was born, accurate time sometimes hard to come by. Grandma Craddock and Mom claims he was born March 13th around 11:58 or 11:59 P.M. Dad claims the clock was a few minutes slow and records the time as the 14th. Thanks for the fun Paul. It's really your fault for arriving at such an awkward time anyway.

I'm not aware of any anniversaries in the month of March. If you do have one, please inform me and I'll get it in next month's issue . Same with the birthdays . If yours was missed, it wasn't intentional. Let me know about these events.

BITS & PIECES

We're gonna brag on some kids now. They deserve it . Rodney Shane Craddock was chosen as valedictorian of his class. Rodney is the son of Mr. & Mrs. J.W. Craddock of Binger, Okla. We're all proud of you Rodney.

Jessica Dawn Morris won a blue ribbon (Superior) in the Vocal Festival held at Anadarko last Friday. She sang a solo. Jesse is the 7 year old daughter of Mr. & Mrs. Roger Don Morris of Binger.

Our own little daughter, Leesa Lyn Morris also placed first in the vocal contest singing a solo. She won a blue ribbon. Leesa is 9 years old . We're proud of those girls .

Uncle Gilbert called a few nights ago just to torment me about some delicious fish

he had just fried and was eating.

Word has come from the Craddock Jet Set (Leonard & Daisy) . These two swingers are heading home after visiting, Arizona and California, and seeing many sights, such as Saguaro East and Colossal Cave, both in Arizona. Daisy says the cave is southeast of Tucson. While visiting Tombstone, they seen such sights as a show of "O.K. Corral Shootout". They holed up in El Centro, Cal. during the cold spell. Leonard spent a lot of that time honing his pool shots. He was almost arrested as a suspect in a bank robbery. Seems some fella was anxious for the bank to open and shook the door so as to set off the alarm, just as Leonard was passing by. Leonard hastily walked on by . The two tourists plan to visit Leonard's Aunt Beulah in Victorville and wind up home the second week in March. I have learned that Leonard and Donald did not tear up the melon patch, they only took every last melon from the vines, The man shouldn't have bragged that no one could steal his melons.

Remember when you fell into the well headfirst David? J.W. and I grabbed your feet and pulled you out. You were a little bit sick, but alive. Don't try that now, you'd be at the bottom of the well before I realized vou had fallen in.

Lead me in Thy truth and teach me, for Thou art the God of my salvation. Psalm

THINK REUNION

Well, some definite steps have finally been taken towards the anticipated family reunion. July 21st, 22nd, & 23rd have been selected as to when . Fort Cobb Lake is the chosen place, exact location still undecided. We hope everyone will be able to attend at that time.

Lots of plans are underway. Some of the activities being planned are, swimming (of course) sack racing, horseshoes, boating & skiing, (Jayro is going to bring his pontoon boat) fishing, pitch tournaments, gospel singing, and any other activities that anyone might want to do, providing you bring along any equipment necessary for the doing of the activity.

Sorry Paul, no pancake eating contest this year.

In addition, there will be a talent show the 22nd. This event will not be scheduled for a specific time, but most likely will take place in the cooler part of the day, following the evening meal. No competition in this one, just fun. In order to avoid chaos and mass confusion, please inform me (Ada) of your intention to perform by the first of July. However, if you decide, on the spur of the moment, that you would like to sing or something, you will be welcome to do so, but for the most part we need to have an order to our show. Songs, poems, tall tales, etc. So get your act together.

Trophies will be given to the winners of the pitch tournament. Of course the championship title and the trophy will be challenged annually at every family reunion. If you go home with the trophy this year you have to bring it back next year and defend your right to keep it another year. The pitch tournaments have until now been called "Annual Hilltop Pitch Tournament", this year they will be called "The Annual Craddock

Pitch Tournament ".

Trophies will also be given to the winning team in the horseshoe throwing events. Likewise, your championship title and trophy will be challenged each year at the reunion.

A trophy will be given to the one who catches the biggest fish, you will be allowed three days to get your catch. The rules and deadline will be determined at a later date by the men officiating this event. That seat of authority will be self appointed. The prize will be provided by the planning committe and will be a good one.

Prizes will be awarded the oldest relative attending, the youngest relative attending, the relative that has the most children attending, and the relative or family that traveled

the greatest distance. There will be a free drawing also,

Games and events for the children are being planned also. There will be prizes for them too. So be sure to bring along your youngins' and any ideas for them. The lake itself will probably provide a big part of their fun. However there will be a sack race and some other stuff that someone can think of between now and then.

We plan to have lots of fun and plenty of good stuff to eat. Bring your favorite food dishes along. We will need several small card tables, so if you have one, bring it. You'll want to bring a lawn chair, and if you plan to stay overnight, you might want to pack a tent along. Personally, don't look for me after 10 P.M. or before 9 A.M., I'll be home. Out of state family not wanting to spend the night on the lake, you're welcome to come to my house,

Hey! wouldn't you like to have a good quality Tshirt, (not one of those flimsy ones) that had this on it: "I survived the Craddock Family Reunion, July, 1989. Well, guess what, you can. Samie is making arrangements to have some orderd for us. We've enclosed an order blank along with this letter for those wanting to have a shirt Infant sizes will be hand designed by the planning committe. You need to place your order not later than May 31st. Samie will pass out the shirts at the reunion.

All come expecting to have lots of fun. Come one day, come two days, come three days

or just stop by for an hour or two, but be sure to come.

Viola and Samie Craddock and myself, consist of the planning committe. We encourage and welcome any volunteers that would like to join us. We will be needing someone to organize and carry out the childrens games, scorekeepers, rulemakers, judges and referees. We are asking Paul to emcee the talent show. So volunteer, your help is needed.
