## IT'S A BOY

Tyson Lee Olinger made his entry into this world, June 3rd, at 3: 28 p.m. Tyson weighing 9 lbs. 6 oz., is 22 1/2 inches long. Parents, Kristy and Kevin say this is the last one. ( heh, heh)

Who's gonna be next? Pam and Angie are running a close race. Both of them are anticipating newborns sometime in July. May the best woman win.

By the way, if you didn't understand the poem in the last letter, don't be concerned about it, not many did. Just some ramblings from a lunatic housewife and mother.

Again, we have no wedding anniversaries in the month of July, or else I don't know of them.

## something good to know

For He is our God,  
and we are the people of His pasture,  
and the sheep of His hand.  
Today, if you would hear His voice,  
Do not harden your hearts,

Psalm 95: 7-8

I didn't lock myself out of the car this

month.....but I know someone that did. Tammy called from Anadarko for someone to bring her extra set of keys. ( It happens to all of us sooner or later.)

## WANTED

A good woman who can clean and cook fish, dig worms, sew, and who owns a good fishing boat and motor. Please enclose a picture of boat and motor.

The above ad doesn't specify who wants the woman, but, Paul Craddock sent it to the newsletter.

As of today, June 27th, Uncle Aubry Finley is still in ICU at Presbyterian Hospital located in Oklahoma City. He had a heart attack around the 17th of June. He had surgery the 22nd. This consisted of four bypasses and a valve replacement. He is slowly recovering though and we give thanks to the Lord for this. Hurry and get well Uncle.

My dear little granddaughter, Christy Morris busted her elbow doing a high dive at the swimming pool. She had to have a screw put in her arm. ( temporary deal I'm told) Don't let your screw get loose like Chuck did. We don't need any more relatives with loose screws.

Tera 12 and Aleshia 11, (more granddaughters) came and visited for a week and then their father Larry Joe and his wife Linda and two sons , Brandon and Justin for the weekend and the girls went to spend the best part of the summer with them. We enjoyed having them all.

J.W. and Viola Craddock and son Rodney, combining business with pleasure , went to Tennessee for a few days. They visited Viola's sister and brother in law in Memphis, Beulah and Sherman Mabin.

Time is rare this month making a short newsletter , so until next time , take care all and watch out for the rattlesnakes.

LOTS O LOVE
