If God ever starts keeping score, we're all gonna strike out. But Jesus went to bat in our place and it appears he made a grand slam.

"Out of the depths I have cried to you, O Lord, Lord, hear my voice! Let your ears be attentive to the voice of my supplications. If you, Lord, should mark iniquities, O Lord, who could stand? But there is forgiveness with you, that you may be feared."

Psalm 130:1-4

If anyone happens to notice the clothing on Binger Hill getting a little dingy, it's because we have been "pooling" our clorox. It's cheaper than powdered chlorine.

HAPPY ANNIVERSARY

2nd	Larry & Linda Morris	12 yrs.
3rd	J.W. & Viola Craddock	17 yrs.

A special, belated, happy anniversary wish goes to Reg and Martha Craddock. They celebrated their 1st anniversary, June 21st. Sorry bout that ya'll. It's really mind destructive living here on Binger Hill.

Things are wild and crazy here on the old hilltop this summer. It seems like I'm going at double speed all day long, but when

the day is over I can't recognize any accomplishment. I suppose that is life.

Carl's 4 by 4 garden is finally beginning to "pay off". We have had only one tiny tomato from it, but more are on the way and the pepper plants, corn, squash and green beans have small fruit, we are anticipating. Actually, his garden is a bit larger than 4 by 4.

Speaking of gardens, Larry and Linda Morris will probably be eating crookneck squash for at least 5 years, being as they have 172 squash plants in their garden. That's no exaggeration either. Larry said they love squash. No doubt.

Granddaughters, Tera and Aleshia Morris, from Belleville, Illinois, arrived June 12th to spend a few weeks with us. We are enjoying these two beautiful little gals. Their sister Rita Jo, from Anadarko, equally beautiful, came and spent one night and then had them spend a few nights with her at her home.

My daughter, Leesa Lyn will be going away to girlsout camp the 23rd of June, if I don't back out and keep her home. I don't really feel good about sending my kiddos off to camp. Maybe to Siberia sometimes, but not to camp.

Judy Smith wants to advertise that she will allow (to the highest bidder) her children to be claimed as dependents on your income tax report. We're gonna have to whip that girl.

Well it's just about time to wind up the newsletter for the month of July. We will have the story of the reunion in the August issue. It oughta be a good one.

Leonard and Daisy, Onis and Betty, Paul and Carolyn, Lonnie, and anyone else that may not have been able to come, we will be missing you and thinking of you, perhaps another time we might all get together. We love ya and wish you could have joined us.
